The mission of Tobacco Free Rhode Island (TFRI) is to educate, mobilize, and protect all Rhode Island residents from the destructive effects of nicotine addiction and commercial tobacco use. We are fighting to reduce tobacco-caused addiction, illness, and death across the Ocean State! Tobacco Free RI is YOUR statewide network, comprised of over 110 organizations and individuals working together to reduce tobacco's devastating impact on our state.

Gives & Gets of Organizational/ Individual Network Partnership

Gets:

- Tobacco updates via e-newsletter, social media, trainings, emails, and more
- Technical assistance and support for tobacco policies, prevention, cessation, and more
- Education through resources, presentations, workshops, and more
- Networking opportunities
- Recognition on our website, social media pages, and resources if they are co-sponsored

Gives:

- Donate if possible to help keep TFRI running at full capacity
- Volunteer time to help at events
- Participate in workgroups
- Share information, including opportunities and resources
- Follow us on social media and review our bi-weekly e-newsletter

“You will always be a puppet on someone else’s line if you don’t care enough about the big picture to let your tiny voice be heard. When it is combined with the tiny voices of millions of others that is the real power”.
